The PRRA will look at any options presented regarding the repair/replacement of these surfaces, but they must be within Manitoba Health guidelines.

Repair of the surface around the pool and the pool island to include cleaning and prepping of old surface, repair of cracks and installation of new surface, approximately 4000 sq feet. Finished product around pool must include all pool depth markings as required by Manitoba Health. Attention to the fitting and operation of the deck hatches must also be considered with the repair.

Manitoba Health has advised pool depth markings must be white outline with black lettering. Current deck marking saying “bench” must be changed to read “Bench Below” again with white outline and black lettering.

Repair of the breezeway include cleaning and prepping of old surface, repair of cracks, levelling of low spots and installation of new surface, approximately 500 square feet. Lockers currently located on breezeway decking will be removed by PRRA prior to repair.

Work is to be completed preferably the first 2 weeks of September; timelines can be adjusted as per contractor requirements.

The Contractor is to be responsible for the full scope of the work including clean up.

The Contractor shall supply all equipment required to perform the service.

The Contractor shall guarantee that all services are performed by fully trained and qualified personnel and none of the contract is subcontracted to another company without prior approval of the PRRA.

The Contractor shall supply any licenses or permits as required.

The contractor is to make there bid with the required pricing on there company letterhead. The contractor must also have “Request for Pricing, Splash Island deck/breezeway repair on there bid.

The bid must also include the warranty on there work and the product installed.

Site visit is mandatory prior to a bid submission. Arrangements for site visit can be made by Contacting Randy Miller at 204-857-7772, ext. 2226 or email to rmiller@prra.ca

THE LOWEST OR ANY BID IS NOT NECESSARILY ACCEPTED.
